⚠ **WARNINGS**

- **Use the C-Shape bracket exclusively for ED120P/A model.**
- **This support is made only for walls, do not use it for ceilings.**
- **For wall mounting use exclusively adeguate fixings to hold up at least ten times the total weight of the speaker (19Kg) plus the bracket (4Kg), in this case > 120Kg for each fixing point using all available 4 holes for double safety.**
- **Do not suspend speakers from plasterboard or other light walls of any material.**
